ABOUT MIG PACIFIC

MIG is an apparel manufacturer that established since 1998 at Batu Pahat, Malaysia by Mr. Goo Chuan Hee and Ms. Huang Mei Ing. Over the past 20 years, we have worked as a team that includes textile specialists, professional tailor and experienced textile dye operator to do research & development on new apparel technology.

As a manufacturer, we did **innovation-driven research and development** for the sustainable growth of textile. The scientific and technological advances made during this time frame are unprecedented.

We created everything based on the **comfort level of textile**, and this is always our top priority when it comes to apparel. The quality of the clothes is also strictly monitored by experts. We provide one-stop printing services including DTF, Sublimation, Silkscreen and Embroidery.
