GIFTING WITH PURPOSE, LEADING WITH VISION

Dear Business Associates & Friends,

Welcome to the 16th Malaysia Gifts Fair 2026!

The global business landscape is shifting. ESG compliance is no longer a corporate aspiration — it is a global standard. Technology and AI are reshaping how business is done. And across industries, decision-makers are under growing pressure to source smarter, faster, and with greater accountability.

In this environment, the gifts and premium industry stands at a pivotal crossroads. The question is no longer simply what to give — but what that gift says about the values, responsibility, and vision of the organisation behind it.

MGPA was established with a clear mission: to spearhead the progressive development of Malaysia's gifts and premium industry — enhancing business opportunities, fostering industry co-operation, championing Made-in-Malaysia creativity, and building an active voice for our members in the broader business ecosystem.

Malaysia Gifts Fair 2026, themed "**Redefining Sustainable Gifting for a Better Tomorrow**," reflects exactly where the industry must go. It is our commitment — as an association and as an industry — to align gifting with purpose, to embrace innovation with responsibility, and to ensure that Malaysia remains at the forefront of the regional gifting trade.

This vision is further affirmed by the fair's endorsement from the Ministry of Tourism, Arts and Culture (MOTAC), and its alignment with the spirit of Visit Malaysia Year 2026. As an internationally participated trade platform welcoming international exhibitors and buyers, the fair not only contributes to Malaysia's position as a premier business tourism destination but also fosters meaningful cultural exchange — bringing industry professionals together, sharing diverse traditions and craftsmanship, and showcasing the best of Malaysia's gifts and premium trade to a global audience.

To every exhibitor, buyer, partner, and supporter who has walked this journey with us — thank you. Your belief in this platform is what drives us forward.

Thank you,
Mr. Ivan Loo
President
Malaysian Gifts and Premium Association (MGPA)

**BIGGER STAGE.
BOLDER INDUSTRY.
BETTER TOMORROW.**

Dear Esteemed Exhibitors and Visitors,

Greetings from the 16th Malaysia Gifts Fair 2026.

This year, we are proud to present the largest edition of Malaysia Gifts Fair to date. The fair expands to four full exhibition halls at the Kuala Lumpur Convention Centre – a milestone that reflects the remarkable growth of this platform and the industry's confidence in what Malaysia Gifts Fair represents. More space, more exhibitors, more connections.

2026 also marks a proud moment for Malaysia Gifts Fair as we receive the Asia Records certification – a recognition of the fair's scale, influence, and standing as a defining event in Asia's gifting and premium trade landscape.

This year's edition brings together 400+ exhibitors, 50,000+ products across 10 major product categories – from sustainable products and customised apparel, to innovative gadgets, printing solutions, and beyond.

We are proud to have strong international participation alongside our local exhibitors, reinforcing our position as a truly regional sourcing platform. International participation this year spans Taiwan, Singapore, Thailand, Hong Kong, Bangladesh, Uzbekistan, and France, bringing global perspectives and cross-border sourcing opportunities to our floor. We are also honoured to feature the participation of the handicraft industry, which, together with international exhibitors, further completes the supply chain of the gifting industry and enhances the diversity of what Malaysia Gifts Fair has to offer.

This year's theme, "Redefining Sustainable Gifting for a Better Tomorrow," sets the tone for everything you will experience on the floor – from the products showcased to the conversations had and the partnerships formed. It is a reflection of where the industry is headed, and we are proud to lead that journey together.

Your presence and participation are what make Malaysia Gifts Fair what it is – and for that, we are truly grateful. Thank you for being part of this milestone.

Thank you,
Mr. Alex Chai
Organising Chairman

Majutex Textile Group is a group of companies specialized in textile trading, weaving, garment manufacturing and fabric wholesale. In 1978, the group started up with a sole proprietor, as a local fabric wholesaler. In 1983, we expanded our business and established our headquarter in Penang, Malaysia. We incorporated **Sri Majutex Sdn. Bhd.** as the textile trading arm, providing high-quality textile wholesale services as well as importing and exporting from/to foreign countries such as China, Hong Kong, Taiwan, and Indonesia. Majutex has become one of the leading importers for fabric goods from the emerging market, connecting the world's factory, China since 1990s.

In year 2018, Sri Majutex Sdn Bhd had been change name to **Sri Majutex Industrial Sdn Bhd.** With our well-planned organization, experienced staff, expertise in fabric, and positive corporate goals, our client number has been growing enormously over the years. Today, our customers came from a variety of industries, ranging from government units and international big-brand apparel corporate, to local manufacturing plants and businesses.
