LANYARD PRINTING FACTORY

Why SUBLIMATION PRINTING?

Sublimation offers more room for creativity and unique designs that utilize full color printing. The field of what can be printed on is also more fast compared to screen printing. For quick, simpler designs, screen printing can be useful. But, for the most part, sublimation is the better option in most cases.

- ◀ **Colour Last Longer**
- ◀ **Ink water-resistance**
- ◀ **complex design can be print**

ALL PICTURES SHOWN ARE FOR ILLUSTRATION PURPOSE ONLY. THE LOGO IS BELONGS TO THE COMPANY.
