BOOTH SOLUTION

10ft /20ft Trade show display exhibition booth solutions is a versatile, reconfigurable exhibit system. 10ft /20ft standard booth solutions pre-defined 10ft /20ft wide inline kits can reconfigure easily as individual banners with no extra parts, pieces or packaging. 10ft /20ft standard booth solutions kits are comprised of various aluminum tube frame banners with unique curves, shapes and corners. Frames feature printed pillowcase fabric graphics that slip over easily and zip at the bottom. Linking clips connect the frames together at a 180-degree angle and universal feet connect the tube frames at the bottom. Displays come in durable, portable carry bags and optional expandable cases are available as an upgrade.

BOOTH SOLUTION

10ftx20ft Booth Solutions

Suitable for 3x6 shelf scheme booth

Booth Solution series, including the standard combination, Concave series series, Multi-storey ceiling Hanging Banner series, Arch Series and Customized series, we provide a range of 10ft, 20ft, 30ft booth solution, which will be a suitable for your needs.

TUBE TENSION FABRIC WALL

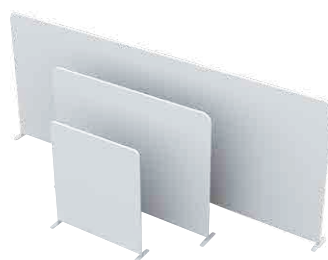

Our tube tension fabric systems are a great alternative to standard backwall displays. Quickly assembled in just 5 minutes, slide the tubes together to make the frame and lock in place with a push button snap. Then, simply pull the pillowcase-like graphic over the frame and zip it shut. The zipper, hidden from view, tightens the stretch fabric beautifully displaying your image. Disassembled, this lightweight frame and graphic fits inside its included bag.

STRAIGHT WALL SERIES

Straight Wall series including standard straight and oblique straight two categories, standard straight including 8ft, 10ft, 20ft.

COUNTERS

Our Tube Tension Fabric Counters are a new generation of pop up counters. Utilizing stretch fabric and a simple frame this system literally clicks together in minutes and looks amazing.

The stretch fabric is printed full width and full height and includes a zipper in the back for access. Beautiful organic curves are created that is almost impossible with traditional promo counters and are by far the easiest tradeshow counter system to transport once packed down into a small lightweight carry case.

COUNTER SERIES

EM-08R7 (E08R07)
Folding Square Counter

Counter Series use the the tube pole support up and down panel, stretch fabric screen used to connect the upper and lower panels to form the front desk, the design is simple and compact, and can be used for exhibitions or shopping malls reception use.

SINGULAR DISPLAY

Stretch fabric banner stands, also known as snake stands, are great alternatives to regular upright pop-up banners. We have a wide range of shapes and sizes. You can even order replacement graphics making them an essential and completely customisable promotional item for any business.

SNAKE DISPLAY SERIES

Every stand can be assembled within minutes, without the need for any tools. Connect the poles together to assemble the frame then pull the printed fabric sleeve over the tubular frame until it is taut. Then simply zip up the sleeve and you are ready to go. Then when you are finished, simply disassemble and pack away into the convenient carry bag.
